MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 6 to Contract No. SP-1918 with Lockheed Aircraft Corporation, Burbank, California, OARFISH/AF-2, Project CHALICE (AIR FORCE)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 6.

2. Contract No. SP-1918 covers repairs and overhaul of Project CHALICE and Air Force equipment. This contract is a time and material type.

3. Amendment No. 6 establishes fixed hourly rates for the period 29 December 1958 through 28 June 1959 and provides for \$200,000 additional funds for Project work. This additional funding is the subject of Program Approval, CHALICE-0655.

4. The \$200,000 should be charged to Fiscal Year 1959 CHALICE funds. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this obligation.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, for each contract.

6. Concurrence in Amendment No. 6 to Contract No. SP-1918 is recommended.
